

Appl. No. 09/763,616

REMARKS

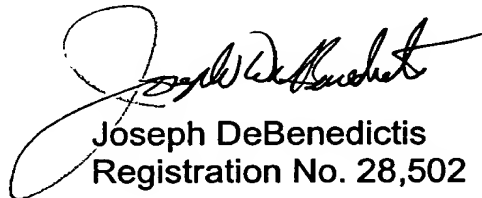

The present amendment adds new claim 41 to the application. New claim 41 is based on compound C16 in the specification (page 25, line 6).

It has come to the below signed attorney's attention that the amendment filed on September 11, 2003, incorrectly referred to claim 15 as "Currently amended", when, in fact, claim 15 was not amended in the amendment dated September 11, 2003 or in any other amendment. Accordingly, claim 15 should have been referred to as "Original" in the amendment dated September 11, 2003. This error is corrected in the presently submitted amendment wherein claim 15 is referred to as "Original".

Respectfully submitted,
